About Pace Connect

What is Pace Connect?

Pace Connect is a shared ride service that connects the Rosemont Transit Center and O'Hare area businesses. It doesn't follow a schedule like traditional public transit — instead, Pace Connect comes when **you** want. Simply give us your pickup and dropoff addresses, choose the ride option that works best for you and meet your driver at the designated pickup points.

When can I ride?

Every day including holidays 11:30pm-5:30am.

How much do rides cost?

All rides are just \$2 each!

How do I pay for my rides?

Set up the app and add your credit/debit card for no hassle charges every time you complete a ride. You can also pay with a Ventra Card by tapping your card to the device on board.

Can I book a ride in advance?

Pace Connect is an on-demand service. Book a one-way ride minutes before you're ready to leave. The app will let you know when the van will arrive.

Where are my pickup and drop off locations?

Your ride must start or end at the designated pickup point at the Rosemont Station. In line with airport safety regulations, your workplace dropoff point may be at a security gate, but whenever possible we'll drop you off right at the entrance.

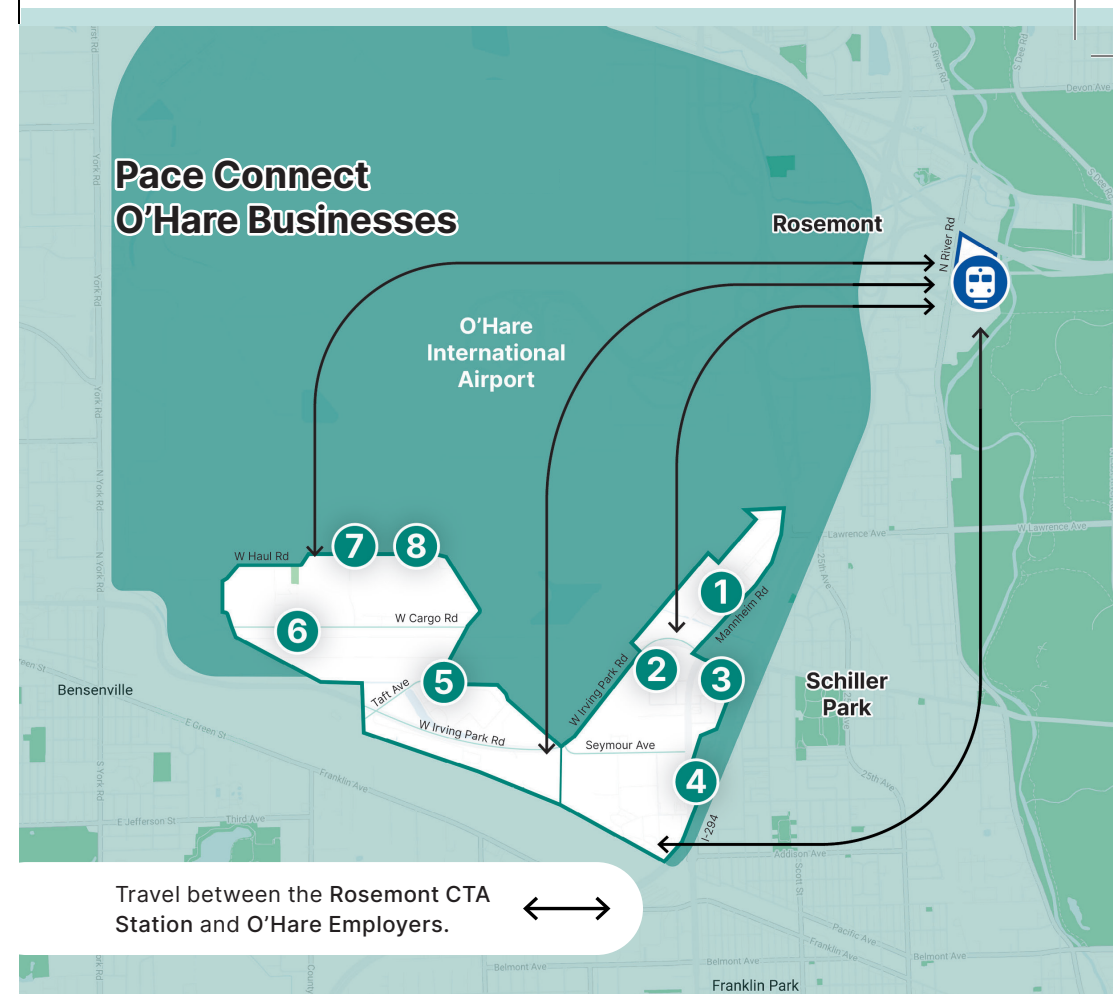

Who will I be sharing my ride with?

You may share a ride with other passengers headed in the same direction. Passengers may be picked up and dropped off during your trip, keeping service fast and affordable!

Are wheelchair accessible vehicles (WAV) available?

Yes! Request a WAV by toggling the wheelchair icon in your app's special settings. You can also give us a call or head to the app and follow these easy steps:

- Tap the menu in the upper left corner of the screen.
- Tap your name.
- Tap Special Settings, then turn on Wheelchair Accessibility.
