

**Pace/CTA North Shore Coordination Plan  
Steering Committee Meeting # 3  
April 6, 2017, 10 am to 12 pm  
Wilmette Village Hall, 1200 Wilmette Avenue  
Meeting Agenda**

- I. Introductions (10:00)
- II. Update on Project Progress (10:05)
- III. Review and Discussion of Major Findings and Recommendations
  - a. Finding: Ridership is focused in a few high-demand areas (10:10)
  - b. Finding: Current riders are most concerned about frequency and reliable connections. (10:25)
  - c. Finding: Opportunities exist to improve ridership among current riders. (10:40)
  - d. Finding: Opportunities exist to increase ridership among infrequent and non-riders. (10:50)
  - e. Finding: Opportunities exist to focus resources to improve service for more riders. (11:00)
  - f. Finding: There are significant work trip pairs where there is a large difference between all work trips and transit work trips. (11:20)
- IV. Concluding Discussion (11:30)
- V. Wrap up and Next Steps (11:50)
