

PACE TRANSFER POLICY

For riders of Pace Paratransit who transfer to/from fixed route buses

Transfer cards are not available on Pace fixed route service. However, Pace Paratransit buses will continue to issue transfer vouchers when used by riders who are transferring between Pace Paratransit service and a fixed route bus.

How do I get a transfer voucher to ride on fixed route services?

Upon boarding the Pace Paratransit bus, tell the driver you will be transferring to a fixed route. You pay the Paratransit fare and the applicable transfer fare. The Paratransit driver issues 2 transfer vouchers. You use the first transfer voucher to board the fixed route bus. You use the second transfer voucher when boarding the Paratransit bus on your return trip.

How do I use the transfer voucher on my return trip from a fixed route bus to Pace Paratransit service?

You pay the appropriate fixed route fare using Ventra or cash. (The transfer fee does not apply.) When boarding the Paratransit bus, present the second transfer voucher to the Paratransit driver.

What happens when I first ride the fixed route bus and then want to transfer to Pace Paratransit service?

You will pay the appropriate fare on both the fixed route bus and the Pace Paratransit bus. The fixed route drivers are not able to provide transfer vouchers. When you board the fixed route bus you will pay your fixed route fare using Ventra or cash. When you board the Paratransit bus you will pay the appropriate fare for Pace Paratransit service.
