

## **Summary of Proposed Changes**

- Between Howard/Linder and Touhy/Carpenter, route would operate on Touhy and Linder instead of Carpenter, Niles Center, Fargo, Linder.
- Service would be added during the peak and mid-day in both directions so that Route 225 would operate in both directions all day on weekdays.
- Route would replace the north-south portion of Route 226 along Milwaukee, Central, and Carpenter between the Jefferson Park Transportation Center and Touhy.

## How would service improve?

- Service would run earlier and later than today.

Service would operate in both directions all day on weekdays.

 Improved connections to more routes and destinations, such as Route 215, Route 226, and the Pulse Milwaukee Line.
