Public Involvement Initiatives and Opportunities

PULSE
Milwaukee Line

Developed a Stakeholder Involvement Plan

- Guides the public involvement process
- Defines methods and tools to educate and involve the public in the decision-making process
- Available at: PaceBus.com/Pulse

Created a Corridor Advisory Group

- Provides input at key points during the project development process
- Includes community leaders from the Village of Niles and City of Chicago; federal, state and local transportation agencies; regional transit agencies; environmental and special interest groups; and neighborhood organizations

Designed mechanisms for public information, involvement, and feedback

- Public, small group, and agency coordination meetings
- Newsletters about Pulse projects and public involvement opportunities
- Media and social media outreach

Established a Pulse Website

PaceBus.com/Pulse

- Provides information, updates, document archives, and meeting announcements
- Offers the opportunity for the public to comment and ask questions
- Encourages the public to sign up for the mailing list
