

New home! How about new wheels, too?

Welcome to your new neighborhood. Once you're settled in and ready to explore, come take a FREE RIDE on Pace.

Reasons to Ride Pace:

Save money.

A one-way trip on a Pace fixed route bus is just \$2.00 when using your Ventra card—much more affordable than driving and ride hailing options.

Be part of the solution.

Riding on Pace reduces the number of cars on the road, eases traffic congestion, and lowers carbon emissions for all.

Relax and enjoy the ride.

We've eliminated the stress of finding parking, getting stuck in traffic, and dealing with unexpected maintenance issues.

Get around conveniently.

Our fixed routes provide community-to-community transportation for residents in Cook, Will, DuPage, Kane, Lake and McHenry counties.

TRACK YOUR BUS

Save time by tracking your bus in real-time using these helpful tools: text message alerts (using the number posted at the stop); the Ventra app; our online, real-time bus tracker; and the Bus Tracker live map.

3

BOARD THE BUS

When you see your bus approaching, give your bus driver a friendly wave. Once the bus comes to a complete stop and all departing passengers have exited, hop onboard.

- By calling 1-877-NOW-VENTRA

SIT BACK, RELAX, AND ENJOY YOUR COMMUTE—SAFELY!

Less time sitting in traffic and looking for a parking space means more time prepping for your big presentation. And with extra safety practices in place, you can do that confidently.

ARRIVE AT YOUR DESTINATION

When you see your destination on the digital board, simply pull the cord to let your bus driver know the next stop is yours. Once the bus has come to a full stop, safely exit the bus.

PRO TIP:

You save 25¢ per ride paying with a registered Ventra Card vs. paying with cash.
