How it Works

A Pace Vanpool can be formed with four or more commuters who have similar work schedules and commutes to work. Someone in the group volunteers to drive. Pace manages the program. Riders share the costs.

Pace Vanpooling includes:

- **Smoke-free Pace van**
A minivan seats up to 7 participants and a conversion van is available for larger group
- **Insurance**
Pace provides automobile liability coverage for authorized drivers
- **Fuel & van washes**
- **Maintenance**
- **Roadside assistance**
- **All Illinois Tollway tolls**
- **A Guaranteed Ride Home**
Each rider gets up to \$125 per year to spend on transportation taken due to personal emergencies. This does not apply to overtime.
- **Guidance**
Pace provides driver training and assigns a representative to assist.
- **Forming a group**
