Getting to Know TAP

The Taxi Access Program (TAP), administered by Pace, is mandated by a City of Chicago ordinance. All Chicago taxi providers are required to accept TAP cards. TAP provides ADA Paratransit-eligible riders the option of using taxis at reduced rates for same-day trips that begin within the City of Chicago.

Once you have your TAP card, you can buy TAP trip fares, which get loaded to your account. TAP trip fares cost only **\$3.25 each** and are worth up to **\$30** per ride. Pace will subsidize up to 30 one-way trips per month.

How do I qualify for TAP?

To qualify for TAP, you must be certified by the RTA as being eligible for ADA Paratransit service. Individuals with temporary eligibility are not eligible for TAP. Note: when your eligibility expires, your TAP card expires. For more information about ADA Paratransit eligibility, contact the RTA at (312) 663-4357.

How do I get a TAP card?

It's easy! Once you have been certified, simply **apply at <https://www.PaceBus.com/tap>** or call us at **(833) 722-3827 (PACE-TAP)**. Your card will be mailed to the address on file with the RTA and will need to be activated before you can add trip fares to your card. *Only you can use your card—it is not transferable.*

How do I buy TAP trip fares?

Once you have activated your TAP card, you can load trip fares online, by mail or in person. A minimum of 8 trip fares can be loaded onto your TAP card. The maximum number of TAP trip fares that can be loaded is 30 per month.

TAP trip fares are good for one year from the date of purchase and are non-refundable and non-transferable!

EASIEST!

Online: Go to www.PaceBus.com/TAP and follow the directions to create an account. Once you have an account, you will be able to buy TAP trip fares using Visa, Discover, AMEX or MasterCard. You will also be able to view your TAP card balance and trip history.

By Mail: Use the attached *TAP order form*. Additional trip fares will be credited to your card within a week of receiving the order and a receipt will be mailed to you. You may pay by money order, cashier's check, Visa, Discover, AMEX or MasterCard. **Cash or personal checks are not accepted.**

In Person: You may add trip fares to your TAP card using cash or credit/debit card. Customers must present their own TAP card at the time of purchase at:

*Kedzie & Irving Currency Exchange
3158 W. Irving Park Rd., Chicago*

*79th & Vincennes Currency Exchange
353 W. 79th Street, Chicago*

Credit/debit card purchases will show on your statement as TAP Program - Pace Bus. *If you dispute a charge and the charge is determined to be valid, you will have to pay Pace the fee Pace is charged by the bank (currently \$15). If you are not sure about a Pace charge on your statement, please check your TAP account at PaceBus.com/TAP then click on the TAP LOGIN PAGE. Call (800) 606-1282 (option 4) before calling your bank!*

How do I get a TAP ride?

All TAP trips must begin in the City of Chicago. You can travel any time (24 hours a day) by hailing a taxi or by calling any Chicago taxi company in advance.

For an accessible taxi, call: (888) 928-2227 (WAV-CABS). If you use a wheelchair, scooter, or other mobility device, please tell the dispatcher. If you have an issue with the accessibility of a taxi, please call 311.

How do I check my TAP card balance?

You can call (877) 722-3827 (automated) or visit the website www.PaceBus.com/TAP and then visit the TAP log-in page.

How do I use my TAP card?

At the end of the trip, swipe your card in the card reader in the back of the taxi to deduct a trip fare. If that doesn't work, the driver should call dispatch. *If your card does not have a trip fare loaded, you will have to pay the whole taxi fare yourself.* Note:

- **You cannot chain TAP trips; you must wait at least 10 minutes between TAP trips.**
- **Drivers cannot wait and then resume travel on the same TAP trip fare credit.**
- **TAP will not pay for tips, wait time during/between trips, or surcharges.**
- **You must pay any meter rate above \$30 using cash or credit/debit card.**

Can someone travel with me?

Yes, but you cannot use your TAP card to pay any taxi surcharge for extra riders; you will have to pay that amount yourself.

What if I lose my TAP card?

If your card is lost or stolen, call Pace at (800) 606-1282 (option 4) or email Passenger.Services@PaceBus.com right away. Your card will be deactivated.

Customers who request a replacement TAP card will be charged two trip fares (or \$6.50 in value). Upon Pace's receipt of your request for a replacement card, the two trip fares will be deducted from your TAP account.

Once you receive your replacement TAP card, please call (800) 606-1282 (option 4) to activate it and transfer any unused TAP *trip fares* to your new card. Pace is not responsible for replacing unauthorized trip fares that were deducted before the card was reported missing.

How do I reset my TAP password?

For password assistance, please call Pace at (800) 606-1282 (option 4) or email us at Passenger.Services@PaceBus.com. or visit the website www.PaceBus.com/TAP and then visit the TAP log-in page.

What if I have a complaint about my taxi ride?

If a driver refuses to accept your TAP card or you have any other concerns with the driver or taxi service, you should file a formal complaint with the Chicago Department of Business Affairs & Consumer Protection:

- **Call 311**
- Email: bacppv@cityofchicago.org
- Visit www.cityofchicago.org/bacp

How does TAP payment work?

At the end of your ride, if the taxi meter shows a price of \$30 or less, swipe your TAP card. You don't owe the driver any extra money. Please note that, if you get a paper receipt from the driver, it will show the fare shown on the meter. That amount on the receipt is NOT what was deducted from your TAP account.

At the end of your ride, if the taxi meter shows a price of more than \$30, swipe your TAP card. The driver will be prompted to ask you to pay for the amount over \$30. For instance, if the meter shows a fare of \$36.80, your TAP trip fare will cover the first \$30, and you owe the driver the extra \$6.80. Your TAP card cannot be used to pay the extra \$6.80. Please note that, if you get a paper receipt from the driver, it will show the fare shown on the meter. That amount is NOT what was deducted from your TAP account nor does it represent the amount that was charged to your debit/credit card.

What if my TAP participation has been suspended or terminated?

Pace may suspend or terminate your TAP participation if you or your companion(s) violate the terms of TAP, abuse TAP privileges, or engage in conduct that is violent, seriously disruptive, fraudulent, or illegal or that poses a direct threat to the health or safety of others. If Pace suspends or terminates your TAP participation, Pace will send written notification of the suspension or termination to you. You may appeal the suspension or termination in accordance with Pace's Suspension or Termination of Taxi Access Program (TAP) Participation Appeal Procedure, a copy of which will be included with the notification. If you appeal, your suspension will be held in abeyance pending the outcome of the appeal hearing, unless Pace, in its sole discretion, determines that the conduct giving rise to the suspension is violent, seriously disruptive, fraudulent, or illegal or poses a direct threat to the health or safety of others, thereby warranting an immediate suspension of your TAP participation. All fraudulent or illegal conduct will be prosecuted to the fullest extent of the law.
